Together in Purpose

CONNECTING WOMEN WHO
ARE PASSIONATE ABOUT
WOMEN'S HEALTH THROUGH
COLLECTIVE PHILANTHROPY

Our Purpose

The TriHealth Women's Giving Circle brings together like-minded women who are passionate about *supporting women's health*.

Build connections and camaraderie at quarterly events while learning about current health issues facing women. The Giving Circle empowers women to advocate for issues they support and provides an opportunity to become leaders.

And, members *make an impact on women and girls in our community* through the power of collective giving. One hundred percent of member donations are added to a giving pool, and members collectively decide on a program or service to support each year.

Membership

The TriHealth Women's Giving Circle brings together the gifts of many members to achieve the greatest impact for women and girls in our community. There are three levels that entitle each member to a one-year membership:

\$1,000 includes attendance at all events and a full vote in the giving selection

\$500 includes attendance at all events and half a vote in the giving selection

\$250 includes attendance at all events with no vote in the giving selection

Not ready to join? You can still support our efforts to impact women and girls in the community with any gift amount. If you choose to join at a later date, your gift will be applied to your membership fee.
